Announcement

The undersigned, Retail Coal Dealers, wish to inform their customers and the public in general that on and after October 1st, 1915, all coal will be sold for SPOT CASH ONLY. This movement has been under consideration for some time, for, owing to the small margin in handling coal, the long period of credit taken by many customers and also the time required to collect the numerous accounts, the above action is deemed advisable.

We expect to serve the public as promptly in the future as in the past and cordially solicit the support of our customers in carrying out this plan.

M. E. Church Notes.

WALDREN GEACH, PASTOR
CARRIE E. HARVEY, SUPT.

Come! We expect a full attendance at the services next Sunday and the following Sundays. In view of the season's separations, this day will be one of pleasant reunion as well as of helpful spiritual privileges. We hope you will come.

You are a stranger but once. Hold On Bible Class especially invites you to meet with them every Sunday at 11 o'clock. Everybody boost for a record breaking attendance.

The Philatheans young ladies' class taught by Miss Buck and the Baracas taught by Mr. Reynolds had a business meeting at the church Tuesday evening. These classes are starting out for a splendid record this year.

Every Sunday is Rally Sunday. Primary and Beginners classes doing well. Parents see that your little folks are here if they haven't been. We desire every member to be present as we are going to take up a new line of work which will be very interesting.

The Ladies of the church have done exceedingly well this year. All that was pledged met and it didn't seem much of a hardship, for all pulled together.

Now—The Great Wind Up. A 25c supper at John Holden's Wednesday, September 29 from 5 until all are served. This is given by circles 5 and 9. Mrs. John Holmen and Mrs. E. F. Fead captains.

Regular services at the usual hours Sunday.

Resolutions of Condolence.

Whereas the Great and Supreme Ruler of the Universe, has, in His infinite wisdom removed from among us one of our worthy and esteemed sisters, Mrs. Mary A. Etchells, and
Whereas, the kind and intimate relations held with her in the faithful discharge of her duties in the Order, make it befitting that we record our love and appreciation for her, therefore

Resolved, that the sudden removal of such a life from our midst leaves a vacancy and shadow that is deeply realized by all the members and friends of this Order, and is a serious loss to the community and public.

Resolved, that with deep sympathy for the bereaved relatives of the deceased sister, we express our hope that ever so great a loss to us may be ruled for good by Him "Who doeth all things well."

Resolved, that a copy of these resolutions be spread upon the records of Yale Chapter, No. 64, O. E. S., and a copy printed in the city papers.
Euphemia Z. Howell,
Elizabeth Menzies,
Berencie B. Fuller.

Announcement

Having purchased the Princess Theatre from A. V. Parmlee, we wish to announce to the people of Yale and vicinity that we intend to improve the standard of this place of amusement and make it better in every particular. We will redecorate the interior and make many changes for the comfort of patrons, and most important of all, we will put on better pictures than have ever been shown in this city.

We will also see that the pictures conform to the high moral standard of our patrons, and films of a vulgar and objectionable nature will not be allowed at the Princess.

We do not hesitate to say that we will cater to people of refinement and feel satisfied that in so doing we will give pleasure to all.

For our opening night, which will be Tuesday, Sept. 28, we have a special feature film entitled "An American Citizen," in four reels, with John Barrymore in the title role. It took an extra effort to get this high class feature, which made such a phenomenal hit in the larger cities, and the demand for it is so great that the owners are still keeping the price pretty high.

However, we have decided to try some of these better films, and put some modern methods into the management for the sole purpose of making the Princess Theatre more worthy of your patronage.

Suggestions from patrons relative to the improvement of service will always be given earnest consideration.

Amateur vocal or musical artists will be given a chance occasionally and vaudeville acts that have merit will be staged in addition to our regular show. Our heralds will be distributed in ample time to give date and details of each and every performance.

Popular prices will prevail, and we extend a cordial invitation to the public.

NOTHER GAME LOST

Croswell Defeats Yale in Close Game Last Friday Afternoon

A number of our base ball fans went over to Croswell on Friday last and witnessed one of the fastest games that has been played in these parts this season. Only one error was committed against each team. Haliman was on the mound for nearly four innings but was relieved by Johnston in the fourth. "Dutch" was touched up for six hits and three runs while in the box, but for the balance of the game "Nip" held them down to two hits and one run.

Flynn, Croswell's pitcher, was "a man of mystery" as far as the Yale team was concerned, allowing out only three hits scattered here. All of the "Boosters" scoring came in the fifth frame, when they came across with three runs on a hit, two bases on balls and an error. Score 4 to 3 in favor of Croswell.

Work of County Agriculturist

Circumstances combined themselves in such a manner last week as to make it an unusually busy one. C. W. Wald, field man in charge of potato work for the Agriculture College, was in the county Tuesday and Wednesday for the purpose of making the second inspection of the potato fields from which diseased plants and mixed varieties had been removed on a previous trip. On Tuesday the farms of George McKenzie and Floyd Fuller in Birchville; and James H. Moore and L. J. Atkin in Brockway township were visited. Wednesday morning was spent in Port Huron and Kimball townships visiting the fields of Frank Sturges, George Tomlinson and son and Fred Beach. All the fields visited, except one, had been killed by the blight, and in most of them the tubers were rotting in the ground. Dr. Eben Munford, state leader of county agents, also accompanied Mr. Wald and expressed himself as well pleased with the way in which the work of the Farmers' Federation was progressing.

Wednesday afternoon the meeting of the State Bean Growers' Association was attended at Flint. The average estimate of the fourteen counties represented was that this year's crop would be 40 per cent of that for 1914. Matters in regard to adopting some uniform standard in regard to grading and the recent ban placed on diseased beans were also discussed.

Hansen Island in Clay township was visited on Thursday where it was found that hog cholera had gotten a bad start. Quarantine notices were posted and a number of people in that community were persuaded to have their hogs treated with serum, and assistance will be given in the disinfection of the infected pens and yards when the owners get them cleaned up.

Saturday evening, a meeting of the Farmers' Federation at Blaine was attended where matters of interest to the community were discussed. The next meeting will be held Saturday evening October 2nd, when the road question, together with other special concern to that section of the county, will be considered by the people.

C. L. Brody, county agent.

District Conference

On Tuesday evening, October 19th, the first district of Michigan annual conference of the Methodist Protestant church will convene at the M. P. church, Yale, and will continue until Oct. 22nd. A fine program will be prepared, and some of the very best speakers in this denomination will deliver addresses during the conference. A large number of visitors are expected to be in attendance. Watch our column for program and further particulars.

Free Lectures

Miss Lulu Bingham, a domestic science expert, will give a series of lectures on cooking and practical baking tests, at Central hall, Yale, Thursday, Friday and Saturday, Sept. 23, 24, and 25th.

Miss Bingham is authority on practical pastry baking, and her lectures are illustrated by actual baking tests. The ladies of Yale and vicinity are cordially invited to attend these lectures. They begin at 2:30 each afternoon, giving the ladies of the country a chance to come and return home early. See ad on another page.

Did The Old Man Good

Geo. W. Clough of Prentiss, Miss., is seventy-seven years old and had trouble with his kidneys for many years. He writes that Foley Kidney Pills did him much good. He used many remedies but this is the only one that ever helped him. No man, young or old, can afford to neglect symptoms of kidney trouble. Herb T. Hennessy. Adv.
